## What is our mission?

VALBEC aims to lead the adult literacy field through identifying issues and facilitating positive change. This is achieved through:

- ★ networking
- ★ professional development
- ★ sharing information
- ★ promoting best practice.

## Members are able to:

- ★ Have input into VALBEC lobbying and policy advice activities such as accredited curriculum consultations and proposed changes to funding policies
- ★ Be represented on a national basis through our VALBEC delegate on the ACAL committee
- ★ Stand for election to the general committee
- ★ Become a member of a sub committee such as Fine Print or Conference Planning.

**Contact VALBEC at  
Box 861

## Members receive:

- ★ **Fine Print** three times a year - a high quality journal for discussion and debate about good practice, theory and policy issues. Feedback and contributions are actively sought from members about content and issues.
- ★ **eVALBEC** - our e-mail communication keeping members informed of professional development activities, general committee activities and more up to date policy changes.
- ★ **Free Twilight Forums** provide an informal dinner opportunity to share ideas with practitioners in the field.
- ★ discounts for the **Annual Conference** and other VALBEC statewide professional development.
- ★ Issues based forums.
- ★ Focus on significant policy issues impacting on the field.

## Victorian Adult Literacy and Basic Education Council

The **Victorian Adult Literacy Basic Education Council (VALBEC)** is the peak body for the adult literacy field in Victoria, established in 1978, following the formation of ACAL (Australian Council for Adult Literacy).

We are managed by a general committee comprised of volunteer members from a range of adult education settings. Our members come from a range of contexts: ACFE providers across the state, TAFE Colleges, LANT programs, WELL programs, Tertiary students and affiliated organisations with an interest in adult literacy. A contracted Administrative Officer co-ordinates our business operations.
